Dear Parents / Carers

Re: Class Trips/Workshops – FLPS Funding

Whilst discussing funding within school, FLPS have very kindly offered to fund one trip or workshop per class for the 2023-24 academic year.

As a cost for trips varies greatly by class, we have agreed with FLPS that a set amount per class should be allocated for the year.

Depending upon the trips/workshops booked, this set cost will either partially or fully fund for parents.

This will be administered in school, and you will be notified of any costs payable by parents within the individual trip/workshop letters that are sent home.

We would like to thank FLPS for their very generous offer, and hope this will help families over the course of this academic year.

With Best Wishes

Mrs Sharon Dean
Head Teacher
