What is the Local Offer?

The LA Local Offer

A new 'Children's and Families Act,' came into force in September 2014. This act brings considerable changes in the area of Special Educational Needs. Local Authorities and schools are required to publish and keep under review information about services they expect to be available for the children and young people with Special Educational Needs (SEN) aged 0-25 years. This is known as the 'Local Offer'.

The intention of the Local Offer is to improve choice and clarity for families.

It will also be an important resource for parents in understanding the range of services and provision in the local area.
